1 **ARTICLE I – RECOGNITION**

2  
3 1.1 The Board recognizes the Association as the sole and exclusive bargaining  
4 representative of all classified employees of the District, excluding administrative  
5 employees, supervisory employees, confidential employees and those employees  
6 defined in Section 1.2.

7  
8 1.2 For purposes of this agreement:

- 9  
10 a. A “substitute” shall be defined as a person not regularly employed by the  
11 district, called in to fill a vacancy created by the temporary absence of a regular  
12 employee.  
13  
14 b. A “temporary” shall be defined as a person hired for a specific purpose or  
15 special project. Temporaries shall be employed for a period not to exceed  
16 ninety (90) continuous calendar days, except in the case of seasonal help or  
17 when used to substitute for an employee on approved leave of absence as  
18 defined in Article 12.6.

19  
20 Any temporary employee except those substituting for employees on approved  
21 leaves as defined in Article 12.6, working in excess of ninety (90) days in a  
22 particular position will move to probationary status as a classified employee. If  
23 a temporary employee who is substituting for an employee on approved leave  
24 is subsequently offered and granted a regular position with the District, the  
25 employee will be placed on probation and if successful, their seniority date shall  
26 be from the date of original hire as a temporary employee.

27  
28 A position may be identified by the District as a temporary position. An  
29 employee hired in such a position will remain a temporary employee for ninety  
30 (90) calendar days, at which time they will become a probationary classified  
31 employee.

32  
33 An employee initially hired as a temporary employee who is subsequently hired  
34 into another position the following school year cycle prior to October 1, without  
35 a break in service (beyond recess periods), shall be considered a regular  
36 employee whose probationary period has been met and whose seniority will  
37 date back to the original date of hire in the temporary position.

- 38  
39 c. A “special project” shall be defined as work performed on a specific task.  
40  
41 d. Seasonal help shall be employed for a period of not more than one hundred  
42 twenty (120) calendar days. Any employee working as seasonal help in excess  
43 of one hundred twenty (120) calendar days will move to probationary status as  
44 a classified employee.  
45  
46 e. Student employees.

1.3 No person hired as described in 1.2(a), (b), (c) and (d) shall be paid more than the entry wage level for the classification into which they are hired. Employees hired under 1.2(e) shall be paid no more than the Range 3, Step 1 rate.

2.1 The Board shall retain the exclusive right to exercise the functions of management as conferred by law or precedent and this right shall be modified only as expressly set forth in this Agreement. Any such right not exercised during the period of this Agreement shall not be deemed abrogated.

## ARTICLE 3 – ASSOCIATION DUES AND PAYROLL DEDUCTIONS

- 1  
2  
3  
4 3.1 Upon written request from the employee, the District shall deduct from the salary  
5 of the employee and make appropriate remittance for the following approved  
6 deductions:  
7  
8 a. Onpoint Credit Union;  
9 b. Tax-sheltered annuity deduction as per District procedures;  
10 c. Deferred compensation deductions as per District procedures;  
11 d. Group medical and dental insurance plans agreed to as part of this agreement;  
12 e. Association dues;  
13 f. Voluntary Life Insurance (optional); and  
14 g. Tax-sheltered IRS “Section 125” deductions.  
15
- 16 3.2 The Association agrees to hold the District harmless against any and all claims,  
17 suits, orders, or judgments brought against the District as a result of the “fair share”  
18 provision of this Article, Section 3.3., or the deduction of Association dues in accord  
19 with Section 3.1(e) above. The District agrees to correct computation or  
20 mathematical errors which may occur in preparing the transmitting of these  
21 deductions.  
22
- 23 3.3 The District shall deduct an amount equal to Association dues each month from  
24 the pay of each classified employee who is not a member of the Association as a  
25 fair share fee.  
26  
27 a. Any employee who has not requested payroll deduction of Association dues  
28 under Section 3.1 of this Article shall be subject to the provisions of this Article.  
29  
30 b. This agreement safeguards the rights of non-Association of employees, based  
31 on bona fide religious tenets or teachings of a church or religious body of which  
32 such employee is a member. Such employee shall pay an amount of money  
33 equivalent to regular Association dues to a non-religious charity or to another  
34 charitable organization mutually agreed upon by the employee affected and the  
35 Association to which such employee would otherwise be required to pay dues.  
36 The employee shall furnish written proof to the District that this has been done.  
37  
38 c. The District will supply the Association with a list of all employees after the  
39 September payroll has been completed and at other times required by the  
40 Association provided such request is made no more than once each month.

- 4.1 The Association or committee of the Association shall be allowed the use of facilities of the District for meetings when such facilities are not scheduled for use by Community Services or in use as approved by the building supervisor. Association meetings shall be conducted during hours outside the regular (weekday) work schedule, which is from eight (8) a.m. to four (4) p.m.
- 4.2 The Association shall be allowed the use of office equipment and District email as needed for duplication and other modes of communication to the classified employees and in a manner which does not interrupt the regular routine of the District programs, as approved by the building supervisor, and the Association shall pay for the supplies and materials that may be used in these activities.
- 4.3 The Board shall provide the Association with reasonable bulletin board space for the use of the Association in communicating with classified employees in each facility in which such employees are assigned, as arranged with the building supervisor.
- 4.4 The Association representatives, elected or appointed, shall be granted limited time off to attend meetings of interest to the Association, when arrangements for such absence can be made with the building supervisor so as to not interfere with normal school duties.
- 4.5 The Association agrees to prepare and distribute information packets for newly hired employees in the bargaining unit. Such packets shall include information regarding their rights, obligations, and entitlements under this collective bargaining agreement, but shall not include any forms mandated by law or insurance enrollment forms other than those available to members through OSEA. The District shall inform the Chapter President of new employees within 30 days of hire.
- 4.6 The Association may request up to fifteen (15) days of release time for employees to participate in Association business. The Association agrees to pay the District the costs of a substitute for the missing employee. All requests need prior approval and will be made through the Director of Human Resources (with notification to the supervisor) at least seven (7) days prior to the release date.

1       **ARTICLE 5 – SENIORITY/LAYOFF/REDUCTION IN FORCE/RECALL**  
2  
3

4       5.1     Seniority  
5

6             District-wide seniority shall be defined as the total length of consecutive service  
7             within the District as a classified employee to include time on authorized leave of  
8             absence. Classification-wide seniority shall be defined as total length of  
9             consecutive service within a classification (defined in 5.4 below).  
10

11     5.2     Layoff/Displacement/Bumping  
12

13            a. Layoff/displacement of employees in the bargaining unit will be on the basis of  
14            classification-wide seniority within the District except that where, in the  
15            judgment of the District, a less senior employee has a special job-related skill  
16            or ability, the district may retain the less senior employee. No employee will be  
17            moved to a higher pay as part of a reduction-in-force action. Thus, within each  
18            job title, employees will be laid off or displaced based on seniority, the least  
19            senior employee within that job title to be laid off or displaced first except that  
20            regardless of seniority: (1) No employee may move to a job title within a higher  
21            pay range; and, (2) If the District determines that a less senior employee has a  
22            special job-related skill or ability, that employee may be retained in favor of a  
23            more senior employee. Employees affected by a layoff/displacement will be  
24            notified in writing at least twenty (20) calendar days prior to layoff. The Chapter  
25            President will be notified prior to the employee notification.  
26

27            b. An employee in an affected job title who has been notified of displacement or  
28            layoff shall have the right to bump downward into a lesser paying job title within  
29            his/her classification provided he/she has greater classification seniority than  
30            other employees in that job title. If a vacancy exists within that lower job title,  
31            the employee will be placed in the vacancy to avoid “bumping” an incumbent  
32            employee. An employee who has “been bumped” may, in turn, exercise his/her  
33            right to also continue to bump downward into a lower paying job within the  
34            classification according to the same rules as above.  
35

36            If an employee has been employed by the District in a classification different  
37            than his/her current classification, the employee shall have the right to be  
38            moved back to his/her previous classification subject to the following  
39            conditions: (1) Only the seniority he/she earned while employed in the prior  
40            classification will be considered; (2) An employee moving back into a  
41            classification shall be subject to the same conditions established above in  
42            5.2(a) and he/she may only be moved back into the same or a lower paying job  
43            title within the classification that he/she previously held; and (3) The employee  
44            must still be qualified to perform the duties of the job.  
45

1 c. An employee reassigned or bumped to a lower job title under the terms of this  
2 Article shall be placed on the proper salary range but will remain on their current  
3 step.

4  
5 d. The layoff provision of Section 5.2(a) and (b) above do not apply to reductions  
6 in hours; however, if a reduction in hours results in a reduction in health and  
7 dental benefits described in Article 10 (i.e., moving below seven (7) hours or  
8 from four (4) hours to three (3) hours), the employee affected will receive the  
9 following benefit payment for the remainder of the insurance contract year  
10 (October 1 — September 30) in which the reduction in hours occurs, unless the  
11 reduction in hours occurs after May 1.

13	7+ above	(35 hrs/week)	100% of Article 10 benefits
14	6+ above	(30-35 hrs/week)	86% of Article 10 benefits
15	4 and above	(20-30 hrs/week)	71% of Article 10 benefits
16	Below 4		57% of Article 10 benefits

17  
18 e. If the reduction in hours occurs after May 1 of any particular year, no change  
19 will be made in the employee's health and dental benefits until October 1, when  
20 the benefits will be those described in Article 10.

21  
22 f. Whenever an employee's hours are reduced as a result of this Article, the  
23 supervisor shall inform the employee twenty (20) calendar days before the  
24 reduction in hours takes place.

25  
26 g. Employees reduced in hours, such that the employee is reduced to a lower  
27 benefit level, shall be placed on an internal recall list for the job title they  
28 currently hold and will be offered, in classification seniority order, transfer to  
29 any opening within that job title that would restore them to the previous benefit  
30 level. They must respond within three (3) business days of any such offer. If  
31 they refuse the transfer, they will be removed from the recall list.

32  
33 h. No regular employees will be laid off until all temporary employees within that  
34 job title have been terminated.

35  
36 5.3 Recall

37  
38 a. Whenever the District determines that a regular vacancy exists within a job title  
39 or classification which has experienced a layoff/displacement (within the last  
40 twenty-seven (27) months), laid off/displaced employees from the job title or  
41 classification will be recalled in reverse order of layoff to a position for which  
42 they are qualified. The District agrees that no new employees will be hired for  
43 positions affected by a layoff until all laid off employees who are qualified to  
44 hold the positions have been given an opportunity to fill them.

1 The Association agrees to assist the District in locating laid off employees. If  
2 the Association and District are unable to locate a laid off employee within ten  
3 (10) working days, or if a laid off employee is unable to report to work within ten  
4 (10) working days after being notified (except in the case of an emergency,  
5 such as a medical or health situation which prevents the presence of the  
6 employee), that employee will not be eligible to fill the vacant position and will  
7 be removed from the recall list.

8  
9 In the event two (2) or more laid off employees are equally qualified for a  
10 position, the employee will be offered the position in order of seniority in the  
11 District.

- 12  
13 b. Employees on the recall list shall have the right to decline recall to any position  
14 which is not substantially equivalent to the position held prior to the layoff.  
15 Substantially equivalent shall mean at least eighty percent (80%) of the total  
16 monetary compensations (wages x hours of the position previously held).  
17 Failure to accept recall to a substantially equivalent position will be treated as  
18 a voluntary resignation from District employment.
- 19  
20 c. Except as provide for in Section 5.3(a), recall rights shall expire twenty-seven  
21 (27) months from the effective date of the layoff.
- 22  
23 d. Any disagreements concerning application of this Article shall be resolved via  
24 the grievance procedure.
- 25  
26 e. Employees who have bumped into a lower paying job title within their  
27 classification shall retain recall rights to their original job title within their  
28 classification through these recall provisions. Similarly, employees who have  
29 bumped back into a previously held job title shall retain recall rights to the job  
30 title from which they were displaced.

- 6.2 An employee may have access to his/her personnel file for the purpose of review and/or obtaining copies of materials as per District procedures. Upon request, employees will be provided a copy of any material placed in his/her file. The employee shall be allowed the opportunity to attach a rebuttal to any material placed in his/her personnel file.
- 6.3 The personnel records of any classified employee shall not contain any information of a judgmental nature that does not bear the signature or initials of the employee indicating that material has been reviewed with and explained to the employee, or accompanied by a statement from the employee’s supervisor that the employee has seen or has refused to sign or initial the material.
- 6.4. Employees may request that letters of caution, consultation, warning, admonishment and/or reprimand be removed and destroyed no earlier than three (3) years after the date on which they were placed in the file, The District retains the right to determine whether or not any materials will be removed from the employee’s personnel file. However, in utilizing any such materials retained beyond three (3) years, the District agrees to weigh the contents of such documents against the passage of time since their instructions.

## ARTICLE 7 – DISMISSAL, SUSPENSION, OR DEMOTION

7.1 After serving a probationary period, dismissal, suspension, or demotion of a classified employee for unsatisfactory services shall be made for just cause and according to the following steps of due process procedures.

- a. The employee will be informed of the charges or the concerns about his/her performance in writing.
- b. The employee will be granted an opportunity to state his/her own side of the issue and present evidence to refute the charges.
- c. The employee will have the right to have a representative present.
- d. The employee will be given an opportunity to appeal the decision through the application of the grievance procedures (Article 15).

Reasons for discipline up to and including dismissal include, but are not limited to:

- a. Incompetence, inefficiency, insubordination, or neglect of duty;
- b. Unauthorized absence;
- c. Any willful violation of a rule or regulation established by the School Board;
- d. Conviction of a criminal act;
- e. Intoxication or use of illegal drugs or alcohol on duty;

7.2 In the event of flagrant misconduct, the employee may be immediately placed on paid administrative leave until such charges are investigated by the superintendent or his designee, and a decision is made to continue or to discontinue that employee's employment. If the employee is cleared of all charges, said employee shall be reinstated without loss of pay, accrued benefits and seniority. It is agreed that there are some circumstances for which loss of pay shall be justified.

If the charges are upheld, the termination date shall be the date of the suspension.

7.3 School Board members, administrators, teachers, or classified employees shall not be criticized in front of staff members, students or parents. The West Linn-Wilsonville School District is committed to providing a professional work environment in which every employee, student, parent, School Board member and

1 contractor is treated with respect. All employees are expected to adhere to District  
2 confidentiality policies.

3  
4 7.4 Nothing in this Article shall be construed to prevent any classified employee who  
5 has been demoted or dismissed from requesting a hearing before the School  
6 Board in accordance with ORS 342.663, provided such request is filed with the  
7 Board within fifteen (15) calendar days of the dismissal or demotion.

8  
9 7.5 Employees shall give written notice ten (10) working days prior to voluntary  
10 termination of employment with the District. Failure to do so shall cause loss of all  
11 unused vacation days.

12  
13 7.6 The District may develop a plan of assistance to assist employees who have been  
14 informed of concerns about their performance. In such cases, the employee may  
15 have Association representation at any meeting regarding the plan of assistance  
16 which the employee is required to attend. The supervisor preparing the plan of  
17 assistance will consider suggestions made by the employee and/or the employee's  
18 representative in developing the plan of assistance. After the plan of assistance  
19 has been initiated, it will be reviewed with the employee at least once every three  
20 (3) months. Modifications in the plan may be made by the supervisor at the time of  
21 review and shall be discussed with the employee.

22  
23 Modifications to the plan of assistance suggested by the employee because of  
24 workload or work assignment changes will be considered by the supervisor and, if  
25 agreed to by the supervisor, shall be incorporated in the plan of assistance at a  
26 review meeting with the employee.

27  
28 7.7 Allegations or charges against an employee must be communicated to the  
29 employee within a reasonable amount of time after the employee's objectionable  
30 action or discovery thereof.

Probationary employees must be notified of any termination prior to the end of their last workday.

Employees hired as a temporary or seasonal employee who later become regular classified employees shall start their probationary period with the date of hire as a temporary or seasonal employee.

8.2 During a probationary period, an employee may be dismissed for any reason deemed sufficient by the District. Such dismissal shall not be subject to review via the grievance procedure.

8.3 An employee who has been demoted or dismissed shall be entitled to a hearing before the School Board if a written request is filed with the Board within fifteen (15) days of dismissal or demotion.

## ARTICLE 9 – WORKING HOURS

1  
2  
3  
4 9.1 Full year full-time and partial year full-time employees will work a weekly average  
5 of eight (8) hours per day except for holiday and vacation provided in this  
6 Agreement. Although the “normal workweek” will be defined as Monday through  
7 Friday and/or those days on which students are in school attendance, the District  
8 may periodically assign employees to work Saturdays and/or Sundays for limited  
9 periods of time (emergencies, special events such as Saturday gym or Sunday  
10 church services, etc.). Subject to District approval, employees may request to work  
11 weekends in addition to their normal workweek. The working hours will be  
12 determined by the principal or supervisor.  
13

14 Full-time employees, both full year and partial year, will receive one and one-half  
15 (1 ½) times their established wage for all hours worked over forty (40) hours per  
16 workweek or eight (8) hours per day, or will be granted compensatory time off at  
17 the rate of one and one-half (1 ½) times the amount of time worked. Use of  
18 compensatory time shall be arranged with the employee’s supervisor within thirty  
19 (30) calendar days of the date on which the compensatory time is earned. This  
20 means the compensatory time must be scheduled but not necessarily taken within  
21 the thirty (30) days. If the compensatory time off is not arranged within the thirty  
22 (30) days, the affected employee should include the time on his/her time sheet so  
23 the employee’s next month’s check will include the overtime pay.  
24

25 Nothing in this Article shall prevent the District from scheduling employees to work  
26 on the weekend if the District adopts a schedule that creates a state student  
27 attendance day on the weekend. Should an employee desire to work a four (4) day  
28 workweek (ten (10) hours/day), such requests shall not be unreasonably denied.  
29 In the event an employee works a four (4) day workweek, overtime shall be paid  
30 after forty (40) hours/week or ten (10) hours/day. Each employee shall have an  
31 individual written work plan for work hours and days and holiday hours.  
32

33 The District may establish a workweek of Tuesday through Saturday for open  
34 positions and voluntary reassignments. Each employee shall have an individual  
35 written work plan for work hours and days and holiday hours.  
36

37 No employee will work beyond forty (40) hours per workweek or eight (8) hours in  
38 a day for overtime compensation unless such time is preapproved by the principal  
39 or supervisor. In extreme emergencies involving security of the building and when  
40 the supervisor or principal cannot be contacted, the District employee on duty and  
41 in charge of the building shall determine the necessity for overtime, not to exceed  
42 one (1) hour at any one occurrence. No employee shall be paid for less than two  
43 (2) hours straight time or time and one half for hours actually worked, whichever is  
44 greater, when called back to the job in emergency situations.  
45

1 Full time ten (10) or twelve (12) month employees will receive one and one-half (1  
2 ½) times their established wage for all hours worked in excess of forty (40) hours  
3 per week including the hours paid for holiday pay. Essentially, the holiday will count  
4 as hours worked in calculating the forty (40) hours. No other leave will apply in  
5 calculating hours for overtime (i.e., sick leave, jury duty, vacation or personal).  
6

7 9.2 Rest Periods: Each employee shall receive a break of fifteen (15) minutes each  
8 period of consecutive service over two (2) and up to four (4) hours. Such break  
9 shall be, in the immediate supervisor's judgment, close to the midpoint of the work  
10 segment. Such breaks will be controlled by the employee's immediate supervisor.  
11

15  
16  
17  
18  
19 9.3 Each employee who is scheduled to work six (6) hours or more per day shall  
20 receive an uninterrupted, unpaid meal period of one-half (½) hour. Such time shall  
21 be scheduled by the employee's immediate supervisor near the midpoint of the  
22 shift. If a classified employee is required to remain on duty or to perform any tasks  
23 during the meal period, the time will be considered time worked and the employee  
24 will be paid for the meal period. If this causes the employee's work time to exceed  
25 eight (8) hours, the employee will be paid time and one-half (1 ½) for the work time  
26 exceeding eight (8) hours.  
27

28 In the event that a thirty (30) minute meal period is granted to employees  
29 scheduled for less than six (6) hours, the meal period will be provided on an  
30 uninterrupted basis. If emergency interruptions occur, they will be handled in the  
31 same manner as outlined above for employees scheduled to work in excess of six  
32 (6) hours.  
33

34 9.4 Adequate work: The District shall not require an employee to report for work  
35 without providing sufficient work to earn at least one-half (½) of his/her normal daily  
36 wage for the shift or, if insufficient work, paying the employee for one-half (½) of  
37 their scheduled work shift.  
38

39 9.5 Employees who are on call shall receive a minimum of two (2) hours a day of their  
40 regular pay.  
41

42 9.6 Nutrition services and instructional assistants shall receive a calendar indicating  
43 the days to be worked during the school year (to the best of the District's ability)  
44 by September 20 of each year.  
45

1 9.7 In the event the District determines that an emergency exists requiring the  
2 presence of a regular classified employee, the District shall attempt to call in the  
3 appropriate bargaining unit employee prior to calling in a temporary or substitute  
4 employee to respond to the emergency.

1 **ARTICLE 10 – MEDICAL/DENTAL INSURANCE**

2  
3  
4 10.1 Effective October 1, 2017, the maximum employer contribution toward health  
5 insurance premiums shall be \$1173.

6  
7 Effective October 1, 2018, the maximum employer contribution toward health  
8 insurance premiums shall be \$1198.

9  
10 In each year of the contract, employees who work thirty-five (35) or more hours  
11 weekly will receive the maximum employer contribution. For employees who work  
12 between six (6) and six point ninety-nine (6.99) hours daily, the employer  
13 contribution shall be eighty percent (80%) of the maximum contribution. For  
14 employees who work between four (4) and five point ninety-nine (5.99) hours daily,  
15 the employer contribution shall be sixty percent (60%) of the maximum  
16 contribution.

17  
18 Full-time employees (thirty-five (35) and above hours per week, ten (10) or more  
19 months) may have payroll deductions for health and dental benefits, depending  
20 upon which health plan is selected.

21  
22 10.2 The Association and the District will establish a joint committee for the purpose of  
23 reviewing insurance coverage. The committee may recommend a change of  
24 insurance to the Board for its approval. Both the Association and the Board must  
25 ratify the proposed changes prior to any change in benefits or carriers. The  
26 committee will be chaired by an Association member.

27  
28 The joint employer/union insurance committee will research various insurance  
29 programs and structures in an attempt to establish a new insurance structure. Any  
30 new structure must be ratified by both the School Board and by the union  
31 membership. If the structure is changed, the employer commits to providing a total  
32 dollar amount equal to the aggregate estimated sum that would have been spent  
33 by the employer had the structure not been changed.

34  
35 10.3 Employees hired prior to June 30, 1980, who work twenty-five (25) or more hours  
36 weekly will receive the full benefit described in 10.1 above, while they remain in  
37 continuous employ of the District.

38  
39 10.4 An employee's spouse who is over sixty-five (65) years of age may remain on the  
40 District medical and dental plans if permitted by the carriers. Payment will be the  
41 responsibility of the employee, not the District.

## ARTICLE 11 – SICK LEAVE BENEFITS

- 1  
2  
3
- 4 11.1 The District shall allow each employee at least ten (10) days sick leave at full pay  
5 for each school year or one (1) day per month employed, whichever is greater.  
6 Accumulation of such leave shall be unlimited.  
7
- 8 a. A new employee from another Oregon school district may transfer up to  
9 seventy-five (75) days of unused accumulated sick leave from his/her most  
10 recent employing Oregon school district. Use of transferred sick leave shall be  
11 in accordance with ORS 332.507.  
12
- 13 b. Upon retirement, employees may use their accumulated sick leave in their  
14 retirement benefits calculation in accordance with ORS 238.350.  
15
- 16 11.2 When absence is due to a compensable injury incurred in the course of the  
17 employee's District job responsibility, at the request of the employee, the District  
18 will pay the difference between the employee's regular salary and the benefits  
19 received by the employee under the workers' compensation law; the amount paid  
20 by the District to be subject to, and deducted on a pro-rata basis from, the  
21 employee's accumulated sick leave. At no time will an employee be compensated  
22 a total amount greater than his/her regular salary.  
23
- 24 11.3 Sick leave days may be used for illness in the immediate family as defined in the  
25 Family Medical Leave Act (FMLA) and/or the Oregon Family Leave Act (OFLA).  
26
- 27 11.4 A sick leave bank shall be established to provide additional sick leave for classified  
28 employees when:  
29
- 30 a. An extended absence due to illness or injury has depleted an individual's  
31 available leave resulting in a financial crisis for the employee;  
32
- 33 b. No other resources are reasonably available to make up the loss of income  
34 resulting from a lack of paid leave;  
35
- 36 c. A sufficient amount of sick leave has been contributed by other classified  
37 employees from which to make allocations.  
38
- 39 11.5 Membership in the sick leave bank shall be optional. Employees who choose to  
40 join the bank must contribute four (4) hours earned personal sick leave to the bank  
41 at the beginning of each school year. Only employees who contribute at the  
42 beginning of the school year to the bank may request a grant. Forms will be  
43 available online to join the bank. Earned sick leave donated to the bank is not  
44 retrievable except by receiving a grant from the bank. If there are any hours  
45 remaining in the sick leave bank account at the end of each fiscal year, the full  
46 amount of those hours shall be carried forward into the succeeding fiscal year in

1 the sick leave bank account. Any employee hired during the school year after the  
2 enrollment date specified in Article 11 has passed shall have thirty (30) days from  
3 his/her date of hire to enroll in the sick leave bank if the employee chooses to do  
4 so. Membership in the sick leave bank shall expire for all employees, including  
5 those hired after the beginning of the school year, on June 30 of each year and  
6 must be renewed, if desired, at the beginning of the succeeding school year. No  
7 individual employee may deplete the sick leave bank.

8  
9 11.6 The District shall be responsible for recording membership, setting the enrollment  
10 dates, maintaining all sick leave bank records, and developing necessary forms.  
11 The Sick Leave Bank Committee shall be responsible for the administration of  
12 other aspects of the bank. The Committee shall be composed of four (4) members:  
13 Two (2) appointed by the Association president, OSEA Chapter 102; and two (2)  
14 appointed by the District. The members shall serve two (2) year alternating terms  
15 and may be reappointed at the discretion of the appointing party. The Committee  
16 shall have the authority to review applications from members and make grants  
17 from the bank to bank members using the following criteria for granting sick leave  
18 from the bank.

- 19  
20 a. The total absence for the sick leave bank time being requested must be at least  
21 five (5) consecutive days. If granted, payment will begin upon the first day  
22 regardless of the amount of the sick leave being requested from the bank;  
23  
24 b. No grants will be made for absences due to on-the-job illness or injury for which  
25 workers' compensation benefits are payable;  
26  
27 c. No grants will be made for absences for which compensation is payable from  
28 any other source, such as third party, litigation, liability claims, etc.  
29  
30 d. All earned leave must be used by a bank member before the member is eligible  
31 to receive a grant;  
32  
33 e. A doctor's statement is required with the application to verify the nature of the  
34 illness or injury, and to document the required length of the absence. This  
35 requirement may be modified or eliminated at the sole discretion of the  
36 Committee.  
37  
38 f. The Committee will act upon all applications as early as possible to avoid lost-  
39 time deduction in payroll, but no later than the tenth (10<sup>th</sup>) of the month following  
40 receipt of completed application provided the application is received by the first  
41 (1<sup>st</sup>) day of the month. The Committee shall notify applicants of the Committee's  
42 decision within five (5) working days after meeting. The decisions of the  
43 Committee are final and are not subject to appeal and may not be grieved. If  
44 the denied applicant wishes to submit further information to the Committee, the  
45 Committee may or may not hear the appeal at its discretion.  
46

1 g. Requests will be considered only for period of incapacity due to pregnancy or  
2 prenatal care that is medically necessary. Requests shall not be made to  
3 extend maternity leave for reasons that are not medically necessary.  
4

5 11.7 An employee granted sick leave hours from the sick leave bank shall repay twenty-  
6 five percent (25%) of the hours granted over a two (2) year period effective July 1  
7 of each year at the rate of twelve and ½ percent (12.5%) in the first year and twelve  
8 and ½ percent (12.5%) in the second year.  
9

1 **ARTICLE 12 – PAID/UNPAID LEAVES**

2  
3 12.1 Emergency or personal leave shall be provided for each classified employee for a  
4 total of three (3) days each year, non-accumulative upon request and with approval  
5 of the principal and/or supervisor. Such leave request shall provide written  
6 information identifying the type of leave and the general reason. The leave will  
7 normally be taken in amounts not less than two (2) hours per request and is  
8 intended to be available to employees when there is illness in the immediate family  
9 (spouse, children, parents or other relative living in the home), or other instances  
10 of emergency or personal business which cannot be accomplished outside regular  
11 work hours. However, with supervisor approval, leave may be taken in one (1) hour  
12 increments. It shall not be used to extend vacation or holiday periods, nor for  
13 purposes of personal pleasure. This leave shall not be used for activities related  
14 to a second business or occupation, including those of a spouse. Additional days  
15 may be granted by the superintendent or his/her designee. These days cannot be  
16 accumulated. The District agrees not to deny the otherwise legitimate use of this  
17 leave because an emergency occurs the day before or the day after a vacation or  
18 holiday period.

19  
20 A committee of the Association and District will establish additional guidelines for  
21 the use of emergency and personal leave. The committee will review requests for  
22 leave that may not have been addressed in the guidelines.

23  
24 12.2 Bereavement Leave: Up to three (3) days shall be allowed for each death in the  
25 immediate family.

26  
27 The immediate family shall include:

- 28  
29 a. Spouse;  
30 b. Children, grandchildren, or grandparents of employee or spouse;  
31 c. Parents or siblings of employee or spouse;  
32 d. Step-relatives of employee or spouse;  
33 e. Persons who have lived in the employee’s household as a family member;  
34 f. Persons with whom the employee has lived as a family member;  
35 g. Significant other or close personal friend of long-standing.

36  
37 Additional days may be granted by the superintendent or designee. These days  
38 cannot be accumulated.

39  
40 12.3 Jury Duty: Employees are not discouraged from serving on jury duty when called  
41 by the courts. Only in extreme situations will requests be made to free employees  
42 from this service. Employees who are called to serve will receive their regular  
43 check in full with no deductions and must, in turn, submit to the Business Office  
44 the check received as a result of their jury duty.

45  
46 Allowance made by the court for travel will be returned to the employee.

- 1  
2 12.4 Parental leave may be granted consistent with the Family Medical Leave Act  
3 (FMLA) and/or Oregon statutes.  
4  
5  
6 12.5 In the event that school is closed due to inclement weather or other emergencies,  
7 employees will report to regular assigned locations and will engage in activities  
8 related to regular employment. Employees who are told not to report to work by  
9 the superintendent or his/her designee will be paid for that time; however, the  
10 employee will not be paid for the make-up time if required. Employees who work a  
11 twelve (12) month schedule and do not report to work will not be paid unless  
12 arrangements are made with the superintendent or his/her designee to make up  
13 the time or use vacation leave or emergency/personal leave if available.  
14  
15 12.6 Employees who have been in the District for five (5) years or more may request a  
16 leave of absence for one (1) year for any reason deemed appropriate by the  
17 employee. Employees granted such a leave will receive no pay and no fringe  
18 benefits, but the District will make a good faith effort to return them to their original  
19 position or allow them to return to a position within their former job classification;  
20 employee shall retain number of hours, pay and seniority provided no reduction in  
21 force has occurred affecting positions in their job classification. Sick leave and  
22 seniority will not accrue while the employee is on a leave of absence. Employee  
23 will give notice (of their intent to return to work or not) by June 1. If notice is not  
24 received, then employment will be terminated.  
25  
26 12.7 Family leave will comply with the Family Medical Leave Act (FMLA) and Oregon  
27 Family Leave Act (OFLA).  
28

11 when school is not in session.  
12

20 vacation benefit described above provided they work twenty (20) or more hours  
21 weekly.  
22

23 13.5 Vacation days will be earned and credited at the end of each month for twelve (12)

31 years.  
32

33 13.7 Twelve (12) month employees who terminate before the end of their first year of  
34 employment will not be paid for any unused vacation. Twelve month employees  
35 who have been employed more than one year may receive pay for unused

1 vacation, provided the employee notifies the department supervisor, in writing, at  
2 least ten (10) days before the separation date.

3  
4 13.8 Unused vacation days shall not accumulate, but shall be forfeited by the employee  
5 if not taken during the fiscal year following earning the vacation days; however, if  
6 previously scheduled and approved vacation days were denied by the District, then  
7 the employee has the right to take unused vacation days within a reasonable  
8 amount of time, with the District's approval.

9  
10 13.9 In order to receive pay for unused vacation days, the employee will notify the  
11 department supervisor, in writing, at least ten (10) days before separation date.  
12 For a less than twelve (12) month employee to receive pay for unused vacation  
13 pay, he/she must work six (6) hours per day or more of their Individual Assigned  
14 Work Calendar the full school year for which he/she is scheduled.

15  
16 13.10 As an exception to 13.9, employees who retire with PERS benefits prior to the end  
17 of the working year will receive vacation days prorated to their retirement day.

2 Step 4. If the grievance has not been resolved at Step 3, the Union may refer the  
3 dispute to arbitration as provided below. The Union shall notify the District in writing  
4 of submission to arbitration within ten (10) working days after receipt of the  
5 superintendent's written response at Step 3.  
6

7 15.3 Within ten (10) working days of the date of the Union's notification of submission  
8 to arbitration, the District and the Union (or their legal representative) shall attempt  
9 to agree upon a mutually acceptable arbitrator who will make a commitment to

13 the voluntary labor arbitration rules of the American Arbitration Association.  
14

34 The following grievance principles shall govern and be controlling in any and all  
35 grievances:  
36

- 37 a. While a grievant may be "made whole," any punitive award shall be void and  
38 unenforceable.
- 39 b. Unless agreed otherwise, only one grievance will be heard at a time by an  
40 arbitrator.

1           **ARTICLE 16 – TUITION REIMBURSEMENT/PROFESSIONAL DEVELOPMENT**  
2  
3

4   16.1   Where specific job deficiencies of the classified employee are determined to exist  
5           by the supervisor or the principal, said supervisor or principal shall have the right  
6           to require, as a condition of further employment, that the employee complete  
7           training or class work to remedy said deficiency. Tuition for such class work or  
8           training and all directly related costs may be prepaid by the District if requested by  
9           the employee. Directly related costs include textbooks or training materials, meals  
10          and lodging and shall be preapproved by the employee’s supervisor. Mileage will  
11          be reimbursed for all workshops and seminars, but not for college course work.  
12          Upon request of the employee and completion of the appropriate forms, the District  
13          shall issue a check payable to the college or university for prepayment of tuition.  
14          Twenty-one (21) day notice will be required.

15  
16           If, after receiving prepayment of tuition, the employee is unable to provide evidence  
17           of successful completion of the course (grade card or transcript showing a grade  
18           of A, B, C or Pass for the course), the employee shall make reimbursement to the

- a. The provisions of this section shall not apply in the event that the contract is reopened in whole or in part, as a result of other provisions of this Agreement.
  - b. There will be no lockout of employees in the unit by the District as a consequence of a labor dispute during the life of this Agreement except as the right to strike is available to the Association. Thus, the period of time when a lockout could legally occur would be the same as the period of time when a strike could legally take place.

23 Reclassification Committee to answer any questions.  
24
- 25 20.6 The employee realizes that the Reclassification Committee does not have the  
26 authority to invent new classifications. The employee realizes that the principal or  
27 supervisor may be called upon to discuss the reclassification with the  
28 Reclassification Committee. A decision will not be made in front of the employee.  
29 The proposal will be voted upon by the committee members, and the results of the  
30 vote will be made known to the employee within a reasonable amount of time.  
31
- 32 20.7 Instructional Assistant Certification: Instructional assistants who are “certified” in

2  
3  
4 22.1 The salary schedules for 2017-18 and 2018-19 are found in Appendix A and B.

5  
6 Effective July 1, 2017, the 2016-17 salary schedule will be increased by three

12 movement effective July 1 of each fiscal year. Employees hired after these dates  
13 will receive step advancement on July 1 of the following year:

- 14
- 15 • Twelve (12) month employees – hire date between July 1 and October 15  
16 (employees that work twelve (12) months and are on contracts of 259/262  
17 days).
  - 18
  - 19 • Eleven (11) month employees – hire date between July 1 and October 31

  - 23 • Ten (10) month employees – hire date between July 1 and November 15  
24 (employees that work ten (10) months and have contracts between 172 and  
25 209 days).
  - 26

27 Placement on the salary schedule will be made according to the following:

28  
29 New hires having prior experience may be placed up to step 6 at time of hire based  
30 on experience in like job position(s) in other school districts. Experience must be  
31 verified in writing and provided to the Department of Human Resources.  
32 Employees will advance one (1) step each year as long as they meet the above  
33 criteria.

34  
35 Employees who reach Step 15 of the salary schedule will be eligible for a Career  
36 Employee Recognition payment after they have completed seventeen (17) years  
37 of continuous employment. This payment will be calculated on the same criteria as  
38 listed above. This payment will be one and one-half percent (1.5%) of the  
39 employee's prior year salary and shall be paid in December of each year. The  
40 employee's base pay will be the employee's base salary. It will not include any  
41 additional pay such as overtime, extra hours, call time, extra duty contracts or  
42 Career Employee Recognition payments, etc.

43  
44  
45 22.3 Employees may be temporarily reassigned to (fill a position of an employee who is  
46 absent but has not resigned) by the District to a higher classification. Such

1 reassigned employee will receive the hourly pay for the higher range at their  
2 current step after he/she has worked five (5) consecutive workdays in the higher  
3 classification until he/she returns to his/her regular classification duties. In addition,  
4 any employee who is temporarily assigned to a lower classification will receive  
5 his/her previous classification rate of pay.  
6

7 22.4 The District agrees that if an employee is temporarily assigned to a position for  
8 which the substitute pay is higher than the employee's current pay, the employee  
9 will receive the substitute pay for the temporarily assigned position until such time  
10 as the five (5) consecutive day requirement in paragraph 22.3 has been met.  
11

12 22.5 Instructional Assistants who hold a four year degree from an accredited college or  
13 university or who complete the Instructional Assistant Certification Program  
14 through Chemeketa and/or Clackamas Community Colleges shall be placed in the  
15 classifications of Instructional Assistant A at the appropriate pay codes as  
16 indicated in the salary schedules in effect at the time. It is the responsibility of the  
17 employee to present the completion certificate, transcripts or a copy of the diploma  
18 to the Department of Human Resources to receive the higher status. Such  
19 employees will remain as Instructional Assistant III, in job description, seniority,  
20 hours, and in other ways.  
21

22 22.6 Effective July 1, 1998, the District shall pick-up the employee contribution to PERS  
23 retirement. All employees in the bargaining unit who are employed by the District  
24 during the work year but do not have the membership in the Public Employees  
25 Retirement System (PERS) during the work year, shall receive a payment equal  
26 to six percent (6%) of their hourly wage for all time worked during the work year in  
27 which they were not PERS members. Such payment shall be made at the end of  
28 the employee's work year or at the time the employee leaves the employ of the  
29 District during the work year.

30 Should the PERS pick-up be declared illegal or discontinued by voter action,  
31 administrative rule or legislation, then the classified salary schedule shall be  
32 increased by six (%) on the same date the PERS pick-up is discontinued.  
33

34 22.7 TWELVE EQUAL PAYCHECKS:  
35

36 A. **EMPLOYEES WORKING A 12 MONTH SCHEDULE** (July 1-June 30) will  
37 have their pay calculated based on the number of work days multiplied by  
38 the appropriate hourly rate of pay (based on their classified pay schedule)  
39 multiplied by the number of hours they are scheduled to work each day.  
40 Paid holidays, if eligible, will be counted as workdays for calculation  
41 purposes. The total amount of this calculation will be divided into twelve  
42 (12) equal checks. Twelve-month employees hired after July 1 of any  
43 given fiscal year will still receive equal checks based on the same  
44 calculation but done on a pro-rated fiscal year basis. The fiscal year is  
45 defined as July 1 through June 30. Checks for twelve-month employees  
46 will begin in July with the last check for the year being paid in June.

The number of work days will be established with board adoption of the school calendars prior to each year. Paid holidays, if eligible, will be counted as workdays for calculations purposes. All ten-month employees working the entire school year will receive 12 equal checks. These checks will begin in September and the last one will be in August. Ten-month employees will be given the option to elect to have the June, July and August checks paid to them in June. An electronic notice will be sent to all ten-month classified employees in April of each year. This notice will allow them to choose an option for having their summer checks distributed. Ten-month employees who do not respond to this notice will receive their summer checks spread out through August.

22.8 **FINAL PAY FOR EMPLOYEES WHO TERMINATE** prior to the completion of the fiscal year for twelve month employees and the school year for ten month employees will be based on the number of days actually worked multiplied by the number of hours worked each day multiplied by the appropriate hourly rate of pay. The total dollars paid to date will be deducted and the balance will be paid upon termination.

22.9 Payroll cut-off dates will be established each year. Payroll cut-off dates will only be used to track paid leaves, unpaid leaves and additional pay since the prior cut-off date. Cut-off dates will not be used to calculate classified employee base pay. Cut-off dates are available for viewing on the district website.

# Sick Leave Bank

## Classified Bargaining Unit

### West Linn-Wilsonville School District

The Sick Leave Bank is established to provide additional sick leave for classified employees when:

- 1) an extended absence due to illness or injury has depleted an individual's available leave resulting in a financial crisis for the employee;
- 2) no other resources are reasonably available to make up the loss of income resulting from a lack of paid leave;
- 3) a sufficient amount of sick leave has been contributed by other classified employees from which to make allocations.

Membership in the sick bank is **optional**. Employees who choose to join the bank must contribute **4 hours of earned personal sick leave to the bank by September 15 of each school year. Only employees who contribute at the beginning of the school year to the bank may request a grant during that school year.** The four hours of contributed sick leave time will be deducted on the October or November pay period. **This form is to be filled out and returned to the Department of Human Resources at the Administration Building by September 15.**

Additional criteria are in place:

- 1) The total absence for the Sick Leave Bank time being requested must be at least five (5) consecutive days.
- 2) No grants will be made for absences due to on-the-job illness or injury for which Worker's Compensation benefits are payable.
- 3) No grants will be made for absences for which compensation is payable from any other source.
- 4) All earned sick leave and personal leave must be used by a bank member before the member is eligible to receive a grant.
- 5) A doctor's statement is required with the application to verify the nature of the illness or injury and to document the required length of the absence.
- 6) To make application for a withdrawal request an employee must contact either the President of the OSEA Chapter or the Director of Human Resources at the district office in order for the Sick Leave Bank committee to meet. The employee will submit the request and accompanying explanation in writing along with the number of hours requested. A copy of the doctor's statement must be included.
- 7) Per Addendum dated March 11, 2008, the Sick Leave Bank may not be used to for maternity leave except for medically urgent reasons.
- 8) No employee shall be granted more than 200 hours during a school year.

*I hereby agree with the terms of the Sick Leave Bank as outlined in the Agreement between the OSEA Chapter 102 and the West Linn-Wilsonville School District. I understand that I will donate four hours of my earned sick leave in order to be eligible.*
